Team Building
Athletics

MUSIC

Come Dance with Me

Personal Development

Ten Ten

Unit 1 – Three in One – Who is my neighbour?

Unit 2 – The Communities we live in – Who will I be? – Needs and wants

Learning Enquiry Homework – Iceberg Ahead!

This topic will run until the end of term and the family learning enquiry homework can be completed at any time during this period. We hope by providing a wide choice of ideas that everyone is able to demonstrate their own creativity, interests and skills, whilst also sharing their findings with the whole class and having their outcomes displayed in the classrooms.

Your child should choose at least one task. We hope you see this as an opportunity to support your child in their learning as well as having fun!

We look forward to seeing the results and would like the children to bring their completed projects into school as soon as they like, so that they can share and celebrate each other's achievements.

May we take this opportunity to thank you for your continued support.
The KS1 Team

Use materials of your choice to create a scene from the story of the Titanic.	Research a key figure from the Titanic and create a detailed poster with their picture and 5 facts about them.	Write 6 questions you would ask Captain Smith if you had the chance.
Gather a range of different objects and explore whether they float or sink. Record your findings	Send a postcard from on board the Titanic to a family member. What did you see, smell, touch, hear and feel?	Create a model of the Titanic using any materials you wish.
Write an acrostic poem using a word connected to The Titanic.	Create your own Titanic fact file full of interesting facts!	Why not choose your own idea and surprise us!
