Nativity

We are very much looking forward to the end of this term and celebrating this special time of year with our KS1 Nativity on Monday 15th December at 1:30pm

Learning Enquiry Homework – Castles and Dragons

As part of our family learning enquiry homework, we would like the children in KS1 to complete one of the following activities over the coming weeks. They will be able to demonstrate their creative talents and share their findings with the whole class.

Your child should choose at least one task. We hope you see this as an opportunity to support your child in their learning as well as having fun! All work produced will be on display in our classrooms.

We look forward to seeing the results and would like the children to bring their completed projects into school by the 1st December, so that they can share and celebrate each other's achievements.

May we take this opportunity to thank you for your continued support.

The KS1 Team

Draw a castle and label all the features.	Find out about castles around the UK or around the world and share your information in any way that you like, e.g., poster, leaflet, PowerPoint, fact file.	Design your own castle and draw a picture of it or make a model.
Design a lost dragon poster. Would it be a good or bad dragon?	Read a story that has a dragon, castle, or knights in it. Draw a story map to show the different events in the story.	Create a true/false quiz about castles for your friends and teachers to play.
Write your own dragon or castle themed story, poem, or song.	Could you be a court jester? You need to perform tricks to entertain the king and his court…. well, your friends and teachers! You could perform in the classroom or send a video.	Why not choose your own idea and surprise us!
