Level 6 - Adding 2

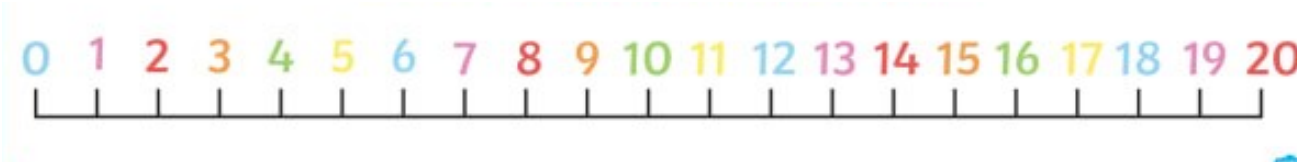

ACTIVITY 1

Choose a number from 0 to 20

Roll a +/- dice.

(You can make your own using any dice or alternatively just write + or - on pieces of card and turn them over)

Add or subtract 2 by jumping forward or backward on the number line!

Write the fact!

ACTIVITY 2

Pick a Numicon piece.

Add a 2 Numicon.

What do you notice when you add 2 to an even number?

What do you notice when you add 2 to an odd number?

Can you count in 2's from 0? Can you count in 2's from 1?

+

Number lines and Numicon images can be downloaded from our website or ask your class teacher for some .
