Level 10 - Near Doubles 6-10

Play doubles + 1 dice game!

Doubles Plus One Dice Game

You Will Need:

- a ten-sided dice
- two different coloured sets of 13 counters

The aim of the game is to get four of your own counters in a row.

Roll the dice and double the number you roll. Add one more to your answer and place a counter on that number.

Take turns until one player wins or the board fills up.

13	11	9	17	15
7	15	13	11	19
7	9	7	5	9
21	19	3	13	15
5	3	17	11	21

If you don't have a 1—10 dice you can download a 1—10 spinner from the website or alternatively write the numbers 1 to 10 on small pieces of card, turn them upside down and choose one for each go.

Level 10 - Near Doubles 6-10

Near doubles matching game!

You will need 2 sets of cards numbered from 5 to 10. You could use playing cards or make your own.

1. Turn over the 5-10 number cards two at time.
2. If they are a near double pair, then you have a match!
3. Add the numbers together!
4. What would the inverse (opposite) fact be?

E.g 5 + 6 =11

11 - 5 = 6

5 6 7 8 9 10

5 6 7 8 9 10
