Aspirations Days 2026 – We need your help please!

Can you help inspire our children?

Following on from four years of very successful Aspirations Day events, we are planning to hold our 'Aspiration Days 2026', on Thursday 18 June and Friday 19 June. This event is planned to motivate and inspire children to raise their aspirations, become ambitious about their futures and encourage them to make a difference to the world.

We would love for the children to hear from a range of visitors who can talk to them about any of their careers, work life, charity support and talents. Last year, our amazing visitors included representatives from various industries and roles including Rolls Royce, Hants Search and Rescue Dogs team, Guide Dogs, Royal Navy, Merchant Navy, radiographer, business entrepreneur, a personal trainer, human resources manager, interior designer, a Reverend, a journalist, a retired headteacher, hydrographics surveyor, oil industry personnel, a teacher and more!! ...and all of them really inspired both children and staff and made for two great days!

Our Aspiration Days will be planned to include children across the school and if any of our parents or friends or family you know, would be interested in coming along to talk to the children for a short time, then please let us know. These 'talks' can be set up for groups of different sizes and ages, and at times of day to suit depending on what you can offer.

We know that our children will love and benefit from such an opportunity, so please get in contact with Mrs Carpenter (via ClassDojo is fine), email the school office (adminoffice@st-thomasmores.hants.sch.uk) or contact your class teacher. Happy to answer any questions too.

To enhance the spiritual life of the school community, our Spiritual Leaders will be sharing scripture which is personal to them and our school.

My name is Emilia. I am the spiritual leader in Neptune. My favourite story from the Bible is when Jesus was born because he is very special and was born to guide us all. "Today a Saviour has been born to you."
(Luke 2:11)

Musical Theatre Club – Gaiety Show

Exciting news from Mrs Takács' Musical Theatre Club!

We are so excited to announce that our annual Musical Theatre Club show at the Gaiety is back — and this year it's bigger and better than ever!

With an incredible cast of 42 children from Year 4 to Year 6, alongside 7 returning ex-pupils this is set to be a truly special celebration of talent, confidence and love for the stage.

Mr Sendall Says...

Well done to all our Year 6s for completing their SATs. You have worked so hard and I hope that having completed them, you feel a sense of accomplishment. These tests measure such a small amount. They do not measure the most important things - who you are as a person, how caring you are, how creative you are, how considerate you are, how sporting or musical you are, how spiritual you are, what a good friend you are, how well you care for things in nature, how clever you are with your Lego building... I could go on but I will run out of space!

There are so many more important things in life, and so, when the results come back, remember that the result is just a snapshot in time of what you have remembered in your reading, SPaG, and maths. It does not show you how have you've come, how hard you've tried, and how wonderful you are!

Chapel News

He is Risen! As we enter into the joyful season of Easter, there continues to be daily prayer from **8:15-8:40**

Monday to Wednesday with Ms Cryer. Your family are welcome to come and join us in praying the rosary, special devotions and hymns. This is an inspiring opportunity for parents to accompany their children for prayer. Please meet Ms Cryer at the infant gate before **8:15am**. Be assured of prayers for our school's intentions.

Travelling Mary

May is traditionally designated as the **Month of Mary** in the Catholic Church, a time dedicated to honouring the Blessed Virgin Mary through special devotions, prayers, and acts of love. It focuses on her role as the Mother of God and Mother of the Church and therefore her maternal love for us all. As a school, we invite families to welcome Mother Mary to your home to pray as a family. Each phase will have their own 'travelling Mary' statue to take home for one or two nights. If you would like to house Mama Maria please do so or speak to your class teacher. May Mary's intercessions bring God's grace, protection, strength and miraculous aid to us all at St Thomas More's.

Teach me to pray

This week our group grew in number and prayerfulness as we had two more children join us. Our meditation finished the last two Glorious Mysteries which times well in the Month of Mary. The Grandparents Association gifted us with some great prayer resources as well as beautiful Marian book marks for the children. Thank you so much for your support and generosity.

Teach me to Pray is a beautiful opportunity to bridge our older and younger children to grow spiritually, share wisdom and pray together as one community.

Through the Rosary, Scripture reflection, and shared intentions, we hope to nurture our faith and pass on the rich traditions of our Catholic faith to the next generation.

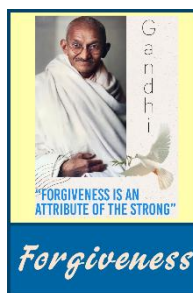

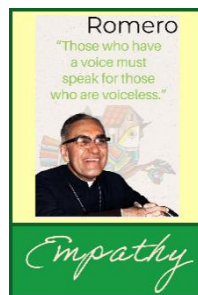

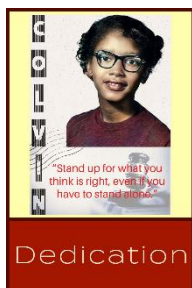

All children from year R to 6 are welcome to join. We meet on Mondays at 2:45 in the chapel and children return to class before the end of day for normal end of day collection.

If you would like your child to join Teach me to Pray, please let your teacher know or message them on dojo. All children who join will receive a rosary which has been blessed by Pope Leo.

STMS Marian Liturgy

On Tuesday, 19th May, STMS will celebrate a Marian liturgy (Y3 and 4 will be doing something separate on another day to honour Our Lady). On this day, we invite families to send their child in to school with a single flower as an offering to Mother Mary. At the end of the school day, there will be opportunity for families to say prayers at our Marian altar which will be on the front playground. Please may we kindly request that families remain respectful and reverent during this time on this particular afternoon. All our welcome.

We have recently updated our School Mission and Vision Statements.

For us, the **Mission** of the School is for the staff and states:

Our mission is to inspire every child by ensuring SUCCESS, providing OPPORTUNITY and fostering STEWARDSHIP within a loving, Catholic community.

The **Vision** is what we want everyone in our school community to strive towards. It states;

Our vision is that everyone will leave our school feeling they have **achieved** more than they ever thought possible, and they will **make a difference** to the world by **serving God by helping others**.

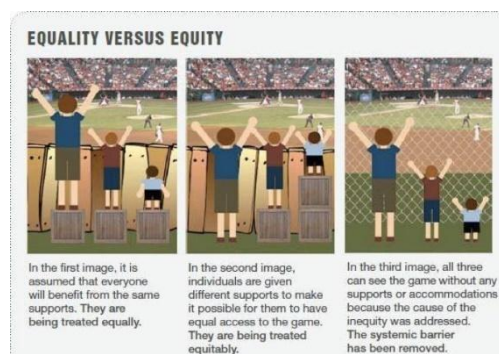

Our values are qualities which we endeavour to show in all we do. They are;

Dedication, **Empathy**, **Forgiveness** and **Generosity**.

Our House Patrons are role models of these values:

Claudette Colvin - Nine months before Rosa Parks refused to give up her seat, Colvin did the same. She wasn't being rude or selfish (as there was a seat free across the aisle from her), but this was a stand for all humans to be treated with dignity and respect during segregation in 1960s America. Colvin was only 15 when she took her stand against racism, and so she is an excellent role model for our pupils - to be dedicated to what is right, even if it means standing alone.

Oscar Romero - Catholic Social Teaching calls us to give preferential treatment to the poor - not just those who are poor in monetary value, but those who are disadvantaged in any way. Oscar Romero spoke out for the voiceless, which ultimately cost him his life. He serves as a reminder to us to be that voice for those who can't make themselves heard, to empathise with how they may be feeling and take action to put things right. We teach the children that equity is more important than equality.

Mahatma Gandhi - The Indian political ethicist is often quoted as saying "Be the change you wish to see in the world" - a motto which fits so well with the teachings of the Catholic faith. However, Gandhi is our patron for the value of Forgiveness. He said, "The weak can never forgive. Forgiveness is an attribute of the strong." We teach children to forgive, but it is important that they also recognise forgiving shows great strength. It isn't always easy to do, but forgiving is something Christ taught us; therefore, we must strive to do this.

St Therese of Lisieux - St Therese struggled in many ways, something which we all do, but she lived her life doing random acts of kindness for people, calling people to love Jesus. This is something very simple for the children to understand and emulate. We teach the children to be stewards of all that they have been given - their time, their talent, their treasures, and to be generous with all of these things, just like St Therese.
